LITHUANIAN TEAM EXPERIENCE

- During the project we did much more than simple activities, we visited the nearby famous sights and towns, which allowed us to get to know Romania more.

LA PADURE

- It was an amazing place with amazing people, in the middle of the forest. The place itself is huge and very cozy. During our stay we lit bonfires, went exploring.

WHAT WAS PROVIDED FOR US WHEN WE CAME

- With each organization and project it's different but our hosts provided us with all the necessities:
 - Towels;
 - Medicine;
 - Shower gel and shampoo;
 - Deodorants;
 - Wipes;
 - Pads and more.

OUR ACTIVITIES

- We had a lot of energisers before each activity, also tons of creative work. As you can see in the picture we also had some lectures during our stay.

THE PLAY

- During our time in this project our main task was to prepare a theatre play which we performed in the local Brebu theatre.
- Our team's director was- Matas, and he did a great job with the play.
- In these pictures you can see us preparing for the play.

CULTURAL NIGHTS

- For each country we had a cultural night, where we could get closer to each other. We tasted the national food and drinks.
- In the pictures you can see foods of Spanish and Turkish cultural night.

WE VISITED THE TOWN BREBU

- We went there two times, the first time we visited the famous sights, youth centre and a local museum of old video games (it was in the youth centre). The next time we went was for our main task- the theatre play.
