BURDUR - TÜRKİYE

Context and Objectives

- Our world and environment are being destroyed with various reasons and it's our duty to heal it back as we are already destroying it. Via gathering young people from different countries and cultures we want to create digital content while we are learning how to be on side of Mother Nature.
- Main aim of the project is leading our participants to be an content creator who works in the name of Mother Nature.

Aimed objectives are;

- Identifying the roots and causes (push and pull factors) of enviromental pollution.
- Learning how to act before, during and after natural disasters with the authorities and how to help and coordinate.
- Creating digital contents about the detected issues for social media platforms and share them.
- Raising awareness towards the dangers of enviromental problems, showcasing different ways of prevention.

Activities

The main project activity is a youth exchange taking place in Burdur from 25 to 31 (excluding travel dates) August 2024 gathering 35 young people, representing a diverse panel of European countries: Czech Republic, Lithuania, The Republic of North Macedonia, Romania and Türkiye.

6 participants +1 leader from each team
aged 18-30
